Monday 10th June

Dear Parent(s)/Carers,

Safeguarding our children

Just a quick note to remind you to stay vigilant at all times with your children. It was reported to us today that a man and woman were seen acting suspiciously outside our school gate on Friday 7th July around 5.30pm. Although none of our children were involved or approached, they did try to engage an older girl in conversation.

As a school, we feel that now would be a good opportunity to remind your children about 'Stranger Danger' perhaps making a point that it is not only male strangers you need to be aware of but female and older children as well. In school, class teachers will be speaking to children today about 'Stranger Danger' and we will discuss the matter further in our next assembly.

We have reported this matter to our PSCO (Community Police Officer) and he will be looking into the matter further. If you have any concerns over this or any other safeguarding issues please contact the school in the usual way.

As always, thank you for your continued support.

Yours sincerely

Mr Boulton

Deputy Head

Headteacher: Mr. Simon Hanley, B.Ed(Hons), M.Sc, NPQH, LLE
