Specialist sports coach one day per week	£9464 Sports Premium Funding	<ul> <li>Continuous Professional Development for teaching staff</li> <li>Delivery of the National Curriculum</li> <li>Competitive sport</li> <li>Gifted and Talented development</li> <li>Active Lifestyles</li> </ul>	<ul> <li>Seven teachers (Y2, Y3, Y4 &amp; Y6) and one learning support assistant (Y4) have taken part in 'Team Teaching' with our specialist sports coach during P.E lessons. This has developed their subject knowledge and confidence in delivering areas of the curriculum that they identified as 'targets' within their self-evaluation questionnaire.</li> <li>In total, 9 lessons were recorded for future CPD purposes. The videos are in seven aspects of our P.E curriculum (gymnastics x2, invasion games, target games, striking &amp; fielding, athletics, net &amp; wall games and active learning through fundamentals) across the key stages. These videos are stored online so that staff can easily access them. The purpose of the videos is to ensure that CPD is available for staff, even when the sports premium funding ceases. Furthermore, the videos have been used by Liverpool Hope University students to support their development as trainee teachers during the Co-vid pandemic.</li> <li>Inter-school competitions have been delivered during break/lunch times. These have been set up by KSSP and completed on site by our specialist sports coach. In total, we have delivered 7 of these competitions for all of our children. These competitions have promoted values such as sportsmanship, accepting defeat and individual target setting. Furthermore, the competitions have provided active opportunities for all of our children and as a result, they have contributed to our children meeting the government guidelines of 30 minutes of physical activity per day.</li> </ul>	<ul> <li>CPD opportunities list 2020-2021</li> <li>Recorded lesson videos</li> <li>Self-evaluation questionnaire forms and results</li> <li>Long term curriculum maps</li> <li>Competition registers and result</li> <li>P.E &amp; Sport blog posts/T witter posts</li> <li>P.E &amp; Sport webpage</li> </ul>	
External Sports Coaching • KMcSports	£2700 Sports Premium	<ul> <li>Competitive sport</li> <li>Delivery of the National</li> </ul>	<ul> <li>The delivery of our annual school sports week was supported by KMc Sports coaches. This year's theme was 'Scotland'. Highland Games themed 'sports days' involving dancing and Scottish themed sports were delivered to ensure that all children from Year 1 to Year 6 had the</li> </ul>	<ul> <li>Blog posts/Twitter posts</li> <li>P.E &amp; Sport webpage</li> </ul>	
<ul> <li>KMcSports</li> </ul>

			<ul> <li>were then delivered before medals and trophies were given to individuals and 'clan' teams. The festival then concluded with a closing ceremony, consisting of the same songs and dances as previously, but performed by different classes.</li> <li>Each year group from Y1-Y6 also participated in a tri-golf competition, meaning that 371 children have participated in at least 1 sporting competition in this academic year.</li> <li>Child feedback from questionnaires given out after sports week was positive, as 87% of our children scored the sports week 7/10 or higher.</li> </ul>	
Sporting Equipment	£1378.60 (equipment order) + £799.95 (ABall1) + £1900.88 (repaired equipment) = £2257.84 Sports Premium Funding	<ul> <li>Delivery of the National Curriculum</li> <li>Active Lifestyles</li> <li>Leadership through sport</li> </ul>	<ul> <li>Due to the Co-vid pandemic, all classes have been in bubbles, resulting in them being isolated from other classes during play/lunch times. This has meant that our usual play leader programme could not be delivered. Consequently, a 'play time pack' was created for each class to ensure that children still had the resources to play games and stay active during their break times. These packs included:         <ul> <li>10x hoops</li> <li>10x air bags</li> <li>10x skipping items</li> <li>5x quoits</li> <li>1x target</li> </ul> </li> <li>This has resulted in more children meeting the government guidelines of 30 minutes of physical activity per day. Also, it has improved lunchtime behaviour and promoted the school's super values of respect, determination, kindness and honesty, as individual classes have selected daily leaders to lead 'games of the week' to their class mates.</li> </ul> <li>Further 'ABall1' resources were purchased to support the delivery of active learning lessons and intervention sessions. These resources have been used by all year groups and feedback from staff has been positive regarding their effectiveness in combining P.E with maths/English content. Every Key Stage area (KS1, LKS2 &amp; UKS2) has access to a set of the resources, meaning that lessons and interventions can be more active.</li> <li>An inspection from 'SportSafe' on our exisiting equipment identified a</li>	<ul> <li>Equipment audit</li> <li>Curriculum maps</li> </ul>

			number of items that needed repairing or replacing. Consequently, the following actions were carried out by SportSafe: our agility tables set was repadded one of our vertical mat trolleys was repaired our gymnastic mattress was replaced 16 of our gymnastic mats were replaced Two of our vertical mat trolleys were replaced One of our wooden gymnastic benches was replaced The above actions have meant that we can continue to deliver our extensive curriculum in the safest of environments.		
Planning resources	£299 (PEPlanning .org) + £975(Teach Active) = £1274 Sports Premium Funding	<ul> <li>Delivery of the national curriculum</li> <li>Active Lifestyles</li> </ul>	<ul> <li>After positive feedback from teaching staff, we have renewed our subscription to PEPlanning.org.uk for planning resources. EYFS has now got plans that align themselves with the early learning goals, thus aiding them in their continuous assessment of our children.</li> <li>Year 1 to Year 6 have ready made plans for invasion games, gymnastics, dance, athletics and outdoor adventurous activities. For aspects of P.E that are not available, the P.E &amp; Sport co-ordinator has created planning documents. This has resulted in a high quality, balanced P.E curriculum being delivered to all of our children.</li> <li>We also subscribed to Teach Active for the academic year. This has provided our staff with ready-made Maths and English planning that contains cross-curricular links to P.E &amp; physical activity. This has improved our staffs' confidence levels in delivering the 'active learning through fundamentals' aspect of the curriculum and also increased the number of active lessons in maths and English.</li> </ul>	<ul> <li>PEPlanning.org.uk planning resources for EYFS to Year 6</li> <li>Other planning documents in online shared folder</li> <li>Teacher questionnaires</li> </ul>	
Knowsley School Sports Partnership subscription	£1300 Sports Premium Funding	<ul> <li>Competitive sport</li> <li>Leadership through sport</li> <li>Continuous professional development for</li> </ul>	<ul> <li>Subscription to the KSSP grants access to their extensive list of sports competitions. The Co-vid pandemic has unfortunately prevented us from attending off-site competitions, but we have participated in seven of their 'virtual' sports competitions. This has resulted in 2 of our Year 4 children winning medals and our Year 6 team getting to the quarter finals of the 'ABC' competition.</li> <li>The KSSP have provided a number of subject co-ordinator meetings during</li> </ul>	<ul> <li>Competition registers and results</li> <li>P.E &amp; Sport blog posts</li> <li>P.E &amp; Sport webpage</li> <li>Photographs of</li> </ul>

		teaching staff	the school year. This has given the P.E & Sport co-ordinator the opportunity to liaise with fellow colleagues in the local area to identify and share good practice. It has also provided support and guidance in regards to the School Games award criteria for 2020/2021.	participation	
Celebration of P.E & Sport	£278.70 Sports Premium Funding	<ul> <li>Delivery of the National Curriculum</li> <li>Competitive sport</li> <li>Gifted and Talented development</li> <li>Active Lifestyles</li> </ul>	<ul> <li>The purchase of bronze, silver and gold medals have provided our children with a tangible reward for their efforts during the Highland Games sports festivals and the tri-golf intra-school competitions. The medals have increased the children's desire to participate in the competitions, thus improving activity levels within school.</li> <li>Stickers were also bought for individual class 'play time packs' so that daily play leaders could reward positive participants within their games. This developed our children's understanding of our school's super values and encouraged children to take part in the games, thus becoming more physically active.</li> </ul>	<ul> <li>P.E &amp; Sport blog posts/Twitter posts</li> </ul>	

## Plantation Primary School's Use of Sports Premium & School Funding for Sport August 2020 - July 2021

## Swimming Assessment for 2017-18, 2018-19, 2019-20 & 2020-21

At Plantation Primary, our children take part in swimming lessons from Y2 to Y6. These occur over a half term per year group at Halewood Leisure Centre. Below is a table showing the achievement of our Y6 children at the end of 2017-18:

	Number of children	Percentage of year group
How many pupils in Y6 can swim 25 metres confidently?	48	59%
How many pupils can use a range of strokes effectively over 5m?	57	70%
How many pupils can perform safe self-rescue in different situations?	70	86%

In the 2018-19 academic year, we have delivered extra swimming lessons for those children not meeting the expected guidelines set by the government. The table below shows the achievements of our children before and after the extra swimming lessons:

	Number of children before extra swimming lessons	Percentage of year group before extra swimming lessons	Number of children after extra swimming lessons	Percentage of year group after extra swimming lessons
How many pupils in Y6 can swim 25 metres confidently?	43	59%	53	73%
How many pupils can use a range of strokes effectively over 5m?	61	84%	67	92%
How many pupils can perform safe self- rescue in different situations?	59	81%	68	93%

## Plantation Primary School's Use of Sports Premium & School Funding for Sport August 2020 - July 2021

In the 2019-20 academic year, we have again delivered extra swimming lessons for those children not meeting the expected guidelines set by the government. The table below shows the achievements of our children before and after the extra swimming lessons:

	Number of children before extra swimming lessons	Percentage of year group before extra swimming lessons		
How many pupils in Y6 can swim 25 metres confidently?	40	55%	53	73%
How many pupils can use a range of strokes effectively over 5m?	68	93%	70	96%
How many pupils can perform safe self- rescue in different situations?	69	94%	70	96%

In the 2020-21 academic year, the Co-vid pandemic and its changing guidelines and requirements meant that we were unable to deliver school swimming lessons for any of our children during the academic year, despite arranging several times to do so.
