This year, our sports festivals will have a Harry Potter twist, as our children will represent one of the Hogwarts houses in a number of activities inspired by J.K.Rowling's 'Quidditch Through the Ages' book. Watch your children earn points for Gryffindor, Slytherin, Hufflepuff and Ravenclaw by competing in a number of fun, unique tasks adapted specifically for our children. Check the back of this poster for more information about the activities.

NATIONAL SCHOOL SPORTS WEEK 2019

Quidditch

Enrich Education will be delivering Quidditch sessions and matches for our children during the festivals. These sessions will introduce the game to the children and provide them with the opportunity to take part in a number of Quidditch themed activities. **Scan the QR code to see what other schools had to say about Enrich's Quidditch sessions.**

Ancient Wizardry Games

The children will also take part in a number of adapted versions of ancient wizardry games. From protecting an inflated dragon bladder in the game of 'Stichstock' (pronounced sht-ik-stock) to catching falling rocks in cauldrons on top of their heads in the game of 'Creaothceann' (pronounced creff-key-on), the children will experience and learn about how each of these games influenced the creation of Quidditch. **Scan the QR code to preview 'Quidditch through the Ages', the book that inspired our festival and check the school website for more information regarding the games.**
