

Plantation Primary School

Year 1 Autumn

Curriculum Map

2022-2023

English

In English & Phonics we are covering the Read, Write, Inc programme. As Readers, we will work our way through the programme, learning set 1, set 2 and then set 3 sounds. We will read a range of books with words containing our taught sounds in our daily English lessons. As Spellers, we will recall learnt sounds and segment to spell words. We will follow the speed sounds word programme and Word Time as appropriate to the different levels. As Writers, we will be learning to use these sounds to spell words. We will develop our sentences to include capital letters, full stops and gaps.

Maths

In Maths, we will follow the White Rose maths programme. We will cover:
Counting - counting to and across 100 forward and backwards.
Place value (within 10 & 20) – identify and represent numbers using pictorial representations.
Addition and subtraction (within 10) – add and subtract one-digit and two-digit numbers to 20.
Shape – recognise and name common 2D and 3D shapes.

Science

As Scientists, we will learn about plants. We will learn to name the parts of a plant, identify trees, and explore leaves. We will investigate which parts of a plant we eat, and we will observe seasonal changes in trees.

We will learn about humans, identify body parts, compare differences, and collect and record information. We will investigate the five senses.

As Historians, we will learn about toys from the 1960's. We will explore how some toys have stayed much the same and some have important changes.

History

As Geographers, we will learn what geography is like where we live. We will learn what geography is all about, where we live in the UK and what human and physical features are.

Geography

As Sportspeople, we will be developing our running, jumping, and throwing skills. We will develop our hand-eye coordination in our 'attack, defend, shoot' topic and apply these skills in a competitive game.

PE

As Coders we will be using the 'Painz' app to create media by digital painting.

Computing

As Theologises we will learn about why we give gifts at Christmas. We will also explore how presents link to the nativity story and why giving presents is significant.

RE

As Citizens we will learn about the Go- Givers characters and how to make friends. We will then learn about the importance of taking responsibility.

PSHE

As Musicians we will learn to sing 'All about me' and find the pulse and rhythm. We will learn about timbre and rhythmic patterns whilst exploring the music 'Fairy Tales.'

Music

As Linguists we will be develop basic listening, speaking, and reading skills in French following repetition, recognition, and recall. We will be learning basic French greetings.

French

As Designers we will learn about the components in playgrounds. We will explore different ways of joining and strengthening materials and make our own playground.

DT

As Artists, we will explore light and dark in our topic 'sparks and flames'. We will use a range of materials and techniques to create a 3D picture.

Art
